

To be used for claiming tax relief via Revenue myAccount

If you have made a pension contribution to your Personal Retirement Savings Account (PRSA) during tax year 2024 where it was not deducted from your salary giving you immediate tax relief then to claim tax relief on the PRSA contribution you will need to submit a claim online via Revenue Online Service (ROS)

As part of this process this year, you may be asked to upload a copy of a pension contribution certificate.

You should complete the information below and upload this form using Revenue myAccount.

Name of Pension Contributor:

Address:

Total pension contribution made:

Date of payment of pension contribution(s):

Pension Provider:

Type of pension arrangement the contribution was made to:

(You should enter either PRSA or PRSA AVC depending on the type of contract you hold)

IMPORTANT CONFIRMATION:

As the pension contributor I confirm that Income Tax relief was not claimed on the pension contribution through net pay/salary deduction during this or any previous tax year.
